

STEPS TO TAKE

If you have a need:

1. First, ask your family for help if appropriate.
2. Then bring your need to your Sunday School class, Bible Study or small group fellowship for assistance.
3. If a need continues to exist after steps 1-2; now it's time to inform a Care Net Director or the church office concerning what further ways EP Care Net can help.
4. It's important to put your request in writing through this form and submit it to the church office. Give as much lead time as possible but don't be hesitant to call.

If you want to volunteer to meet a need:

1. Fill out the Volunteer Form on the reverse side indicating your areas of interest and your contact information.
2. Help coordinate others in your small group or Sunday School class to meet a need that arises there.
3. If you are not being asked to help frequently enough be proactive and call a Care Net Director and let them know of your availability.

Do You Have a Need?
Can You Help With a Need?

EP Care Net is the new communication and coordination structure for providing physical and spiritual care to the congregation of EP Church. The Care Net has four parts:

1. **Officer Care:** Every member is assigned to one pastor, ruling elder and deacon who are concerned for the spiritual needs of their "small-flock". Contact information for this is listed in the church directory under each member's name.
2. **Staff Care:** EP Church employees provide oversight for numerous church programs. Ask the appropriate staff person about the program you are interested in.
3. **Volunteer Care:** Four directors oversee and refer needs to various coordinators who help recruit volunteers in a multitude of need areas.
4. **Self Care:** Often we have not because we ask not. If you have a need: Ask! Likewise, Gal 6:1-5 tells us to bear each other's burdens while continuing to bear our own load. If you're confused about the balance, let's have a conversation.

Galatians 6:2 "Bear one another's burdens, and so fulfill the law of Christ"

EP Care Net is the new communication and coordination structure for showing care to the body of Christ at EP. EP Care Net links the care from our church officers (pastors, elders, deacons) and the church staff with the volunteer manpower of our whole congregation. If we don't know your need we can't help you. On the other hand, every need is met by others coming forward with loving sacrifice so we need to know how you are willing to help others out. PLEASE PRINT CLEARLY. Thank you.
